

## Open Access Statement, License and Copyright

*Kairos* is an high-level open access journal, meaning that all content is immediately and freely available to anyone, anywhere and can be downloaded, printed, distributed, read, reused, self archived and remixed (including commercially) without restriction, as long as the author and the original source are properly attributed according to the Creative Commons Attribution 4.0 International License (CC BY).

Although *Kairos* is an open access journal, the copyright of all material published is owned by *Kairos* and the authors transfer all copyrights to the publisher.

### Long-Term Preservation and Archiving

The self-archiving policy is indexed at Sherpa/RoMEO where it is visible that the journal is following a blue level of self-archiving (it is allowed to deposit the publisher's version of the paper).

### Article Processing Charge (APC)

*Kairos* does not charge article processing charges (APCs) or submission charges.

### Subscription

*Kairos* does not charge for subscription
